**Artist: Joni Mitchell**

**Lyrics for Song: Both Sides, Now**

Rows and flocs of angel hair  
And ice cream castles in the air  
And feather canyons everywhere  
I've looked at clouds that way

But now they only block the sun  
They rain and snow on everyone  
So many things I would have done  
But clouds got in my way  
I've looked at clouds from both sides now  
From up and down, and still somehow  
Its cloud illusions I recall  
I really don't know clouds at all

Moons and junes and ferris wheels  
The dizzy dancing way you feel  
As every fairy tale comes real  
I've looked at love that way

But now its just another show  
You leave em laughing when you go  
And if you care, don't let them know  
Don't give yourself away

I've looked at love from both sides now  
From give and take, and still somehow  
Its loves illusions I recall  
I really don't know love at all

Tears and fears and feeling proud  
To say I love you right out loud  
Dreams and schemes and circus crowds

I've looked at life that way

But now old friends are acting strange  
They shake their heads, they say I've changed  
Well something's lost, but something's gained  
In living every day

I've looked at life from both sides now  
From win and lose and still somehow  
Its life's illusions I recall  
I really don't know life at all  
I've looked at life from both sides now  
From up and down, and still somehow  
Its life's illusions I recall  
I really don't know life at all

**Lyrics for Song: Red Badge of Courage**

My lady's got a red badge of courage  
She wears it like a medal on her heart  
She wears it with pride like most people wear  
a smile  
And no one else but me can see her scars  
My lady's got a red badge of courage  
It's one that you can't steal and you can't buy  
It's not a thing that you can hold but it means more  
to her than gold  
And it's wrapped around her heart like an  
old flag

**Chorus**

My lady she's a fighter she's a winner  
But she's not the type to boast or brag or swear  
These last days I've seen the woman in her  
That makes me not afraid to say that I belong  
to her

My lady's in the role call of heroes  
Of those with nothing left to lose but life  
For whose few remaining years are filled with days  
of constant fear  
But who never quit or give up on the fight  
My lady's got a red badge of courage  
She's joined the ranks of those who know the score  
For whom each day is still a prize, a gift that we  
can't toss aside  
For it's too precious to be wasted like before

Yes my lady's got a red badge of courage  
It's the one thing that I'm sure she'd rather not have  
When you ask me what war and what she ever got  
it for  
I say bravery in the face of certain death

## Entry Music

Joni Mitchell: 'Both Sides, Now'  
(lyrics overleaf)

Hazel always had a liking for the songs of Joni Mitchell and would play them regularly. This song came to have a particular resonance with Hazel and the position she found herself in. She would often reflect on how she felt she could see different aspects of life now, and how perspectives are altered by circumstance.

## Hymn

Make Me A Channel of Your Peace  
Make me a channel of your peace.

Where there is hatred, let me bring your love;  
Where there is injury your pardon, Lord;  
And where there's doubt, true faith in you.  
O Master, grant that I may never seek  
So much to be consoled as to console,  
To be understood as to understand,  
To be loved, as to love with all my soul.

Make me a channel of your peace,  
Where there's despair in life, let me bring hope  
Where there is darkness, only light;  
And where there's sadness, ever joy.  
O Master, grant that I may never seek  
So much to be consoled as to console,  
To be understood as to understand,  
To be loved, as to love with all my soul.

Make me a channel of your peace.  
It is in pardoning that we are pardoned,  
In giving to all men that we receive,  
And in dying that we're born to eternal life.

## Committal

Brian Houston: 'Red Badge of Courage'  
(lyrics overleaf)

Hazel and Richard met Brian Houston at a show in Swindon. He had sung this song. His wife had battled with breast cancer. The words of the song perfectly express how they all felt. There are many other reasons why this song is special.

## Closing Prayer

The Lord's Prayer

Our Father, who art in heaven,  
Hallowed be Thy Name.  
Thy Kingdom come, Thy will be done,  
On earth as it is in heaven.  
Give us this day our daily bread,  
And forgive us our trespasses,  
As we forgive those who trespass against us.  
And lead us not into temptation,  
but deliver us from evil.  
For thine is the Kingdom, the Power and the Glory,  
For ever and ever. Amen.
